SPEEDWASH
RESIDENTIAL
Power Washers

A Complete Pressure Washing System
Generac’s SpeedWash™ power washers provide you with a complete washing system featuring best-in-class cleaning power. This complete cleaning system includes a family of innovative cleaning attachments to deliver better cleaning results in less time.

- **Quick-Change Nozzle Tips**
  - 0˚, 25˚, 40˚ and soap

- **High Pressure Flex Hose**
  - Most flexible hose in the industry; kink resistant; non-marring

- **Easy Maneuverability**
  - Engine and pump are perfectly balanced over the axle for almost effortless maneuverability

- **User Friendly Controls**
  - All in a single location, including on/off, choke, and fuel shutoff

- **Powerful Generac OHV Engine**
  - For maximum cleaning performance

- **Axial Cam Pump with Brass Head**
  - Lasts 2x longer than aluminum pumps
  - (*Model 7122 only*)

- **Never-Flat Wheels**
  - Easy transport on rugged terrain and up stairs

- **On-Board Detergent Tank**
  - For added convenience
POWER BROOM*
Featuring 12” of surface coverage, Generac’s Power Broom is equipped with high pressure nozzles to clean 4x faster than standard nozzles.
Ideal for cleaning decks, patios, driveways and sidewalks.
(*Model 7122 only)

POWERDIAL™ GUN
Allows you to easily adjust the pressure needed between four different tasks - car, wood, concrete and soap - at your fingertips

TURBO NOZZLE
With a rotating pinpoint stream, Generac’s Turbo Nozzle is designed to remove stubborn dirt and grime off of tough surfaces 30% faster than standard nozzles.
Ideal for cleaning hard surfaces like brick and concrete.

SOAP BLASTER
Generac’s high pressure Soap Blaster nozzle sprays soap 3x farther than a standard nozzle tip to penetrate tough stains and improve cleaning results.

**A Tradition of Quality and Innovation**

For over 50 years, Generac Power Systems has been a leader in innovative design and superior manufacturing. When it comes to developing products that are both durable and reliable, we stand head and shoulders above our competition. The result of our efforts can be seen across our many product offerings.

We design and build engine-driven power generation equipment, automatic transfer switches, control systems, air-cooled engines, power washers and water pumps. Regardless of the product, our vertical integration allows us to control the quality, availability and flow of materials throughout the manufacturing process. And each product is factory tested prior to shipment. It is this ongoing commitment to quality and innovation that has made Generac a name that people have come to trust.
